To have the fire go on a strike just when you need it most? Have you ever thought the trouble maybe in the coal? Try a ton or so of our clean, free-from-ash-and-stone Coal. Plenty of people have had their fire go back on them until after they had tried our Coal. Now they haven't a bit of trouble. Worth a trial any way.

Fiftieth Anniversary

The fiftieth anniversary of the Women's Missionary Society was made a social feature and most delightful affair last night by the membership of the First Presbyterian Church in West Third street. The evening was spent in a social way and not the least of the evening's enjoyment was a delectable lunch, and to make the occasion perfect in all its details was a collection taken amounting to \$68 for the starving Chinese.

Pushing Things

There was a business aspect of things in general on the Baseball Park grounds in the East End yesterday. With twelve teams employed in plowing and leveling up the grounds, and a dozen workmen engaged in other necessary work, gave evidence that the management did not intend to let any grass grow under their feet in completing the work of having everything in apple pie order on opening day in April. When Messrs. Harding and Simons give the finishing touch to the work in hand and pass over the keys to the owners the Maysville Ball Park will be as good as the best in the Bluegrass Circuit.

Now, if our boys turn out to be cracker-jacks and pennant-chasers, we will be right in the swim and after that 1911 flag. Hope so, don't you?

Summit, N. C.—In a letter received from this place, Mr. J. W. Chorch, the Notary Public, says: "My wife had been ailing for nearly 12 years from female ailments and at times was unable to leave the house. She suffered agony with her side and back. We tried physicians for years without relief. After these treatments all failed she took Cardui and gained in weight at once. Now she is red and rosy as a school girl." Cardui as a tonic for women has brought remarkable results. It relieves pain and misery and is the ideal tonic for young and old. Try it. At druggists.

Bluegrass League Schedule Ready—Richmond and Frankfort in—Brilliant Season in Sight

Every Club in the Bluegrass League was represented in the Directors' meeting, which was held Friday afternoon in the Phoenix Hotel, Lexington, for the purpose of deciding on a schedule for the double season which will be played in the Bluegrass circuit this year.

Owing to a conflict of desires in regard to Sunday and holiday dates, the schedule as sent out by President W. C. Hensley from Paris a few days ago was not accepted as a whole, and the changes which were asked will be made and the schedule sent out from President Hensley's office as soon as possible.

Do You Feel This Way?

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor appetite, and lay awake at nights unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to force ahead in the world left you? If so, you might as well put a stop to your misery. You can do it if you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. If there is any tendency in your family toward consumption, it will keep that dread destroyer away. Even after consumption has almost gained a foothold in the form of a lingering cough, bronchitis, or bleeding at the lungs, it will bring about a cure in 98 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose advice is given free to all who wish to write him. His great success has come from his wide experience and varied practice. Don't be wheedled by a penny-grabbing dealer into taking inferior substitutes for Dr. Pierce's medicines, recommended to be "just as good." Dr. Pierce's medicines are of known composition. Their every ingredient printed on their wrappers. Made from roots without alcohol. Contain no habit-forming drugs. World's Dispensary Medical Association, Buffalo, N. Y.

20% UNDERFEED INVESTMENT

Most heating systems are an actual drag on the domestic treasury. If you want to enjoy actual every-winter dividends, tear out your old glut-tonous coal-eater, with its uneven heat and hard-to-satisfy appetite for fuel. Put in a

PECK-WILLIAMSON UNDERFEED FURNACE OR BOILER

Choose the system you like best—warm air, steam or hot water. Cheap-est slack in the Underfeed yields as much clean, even heat as most expensive grades; which ordinary heating plans require. All the fire is on top and has to travel down into the fresh air against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed furnace and boiler gases to

SAVE 1/2 TO 2/3 OF COAL BILLS.

This saving represents a 20% dividend on the investment for this modern system of heating. Figure it out. It won't take long to get your money back. The Underfeed adds to the selling or renting value of any building.

Write today for free booklets on Underfeed Warm Air, Steam and Hot Water Heating Systems. Our representative will be glad to call any time and make you a detailed proposition. Why Not Investigate These Genuine Heating Marvels Now?

Beware of Quackery For Catarrh That Causes Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75¢ per bottle. Take Hall's Family Pills for constipation.
